

# KINGS GOSPEL MISSION

## IMPACT REPORT December 2020

.....

Making disciples of Jesus Christ!

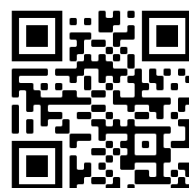

Sometimes Santa wears blue!  
Hanford Police Department donate  
holiday dinners to the mission.

## HOUSING

### *A safe place to sleep!*

Affordable housing is at an extremely high demand right now. Recently, Kings Gospel Mission partnered with Kings County and was approved for more than \$4 million to build 24 factory built homes in south Hanford on 10th Avenue. These homes will be built around a courtyard community and eventually have commercial space on the same property. Take a moment to learn how the 576 square foot homes will have a positive impact on the homeless community. <https://vimeo.com/462710303>

# POSITIVE, PURPOSEFUL ACTIVITIES

## ***Why work matters!***

Joblessness is a major cause of homelessness. Whether someone is unemployed or is dealing with a drastic cut in hours or wages, it can lead to significant hardships for families and individuals as many are only one paycheck away from the street. This is why we at Kings Gospel Mission, work so hard to create job opportunities for our clients.

# PEER-SUPPORT COMMUNITY

## ***Community changes community!***

All of us have family or friends who we can turn to for guidance and encouragement. At Kings Gospel Mission, homeless men and women can gather and work through the daily issues and concerns. At the same time, they are creating friends and providing support to one another. Take a moment to learn how creating courtyard communities really enhances these relationships.

Our ladies on their way to a Christmas Ball put on by Sword Sister Alliance.

THANK  
YOU

***We couldn't do this without  
you!***

God bless you and THANK YOU for your support! If you prefer to receive this report via email, please let us know at [info@kingsgospelmission.org](mailto:info@kingsgospelmission.org).
